

Timmins Rotary Ribfest

Celebrating 100 years of Mining!

March 2011

The Rotary Club of Timmins in partnership with the Father Costello Community Care Centre would like to extend a warm invitation to you to participate in our 8th Annual Timmins Rotary Ribfest, scheduled to take place on June 30 and July 1, 2011. The activities will operate 4pm – 1am June 30th and Noon – 1am July 1, 2011. During the day, our festival concentrates on family fun and activities for children of all ages. In the evening, we attract an adult audience with live music and our licensed beverage garden.

This year we are anticipating another successful year with a few thousand people from Timmins and surrounding communities coming out to celebrate and enjoy mouth-watering ribs, great live music and lots of family fun. This year we are focusing particularly on family activities and entertainment in celebration of Canada Day and the two days following that. This celebration of our community's 100th anniversary is intended to bring tourists, families, the business community, organizations and service clubs together for a great weekend of activity.

Vendors and non-profit community organizations are invited to take advantage of this opportunity to showcase their products, fundraise for their organization or provide information about their agency and services. Vendors may reserve a 10' x 10' space at a cost of \$200 for the Thursday - Friday. Non-profits are charged a rate of \$50 if selling tickets, products, etc. as a fundraiser; or, may access the space at no charge if used for display materials only.

***** Please note: 1. Proof of \$2 million liability coverage OR Vendor/Performer Release Agreement MUST be provided when submitting Contract. *****

2. The entire event will be held outdoors and each vendor is responsible to bring everything they require, ie. Canopy, tables, chairs, etc.

3. We will no longer be offering "exclusivity" which means that you are free to display/sell what you wish (assuming it is approved by our committee) as long as it not listed in Item #3 in the Contract.

I look forward to discussing with you this opportunity to be part of a great community event. If you have any questions, please do not hesitate to contact me.

Regards,

Teena Simpson
